

Health and Safety Policy Statement

This is the Health and Safety Policy of MARSTE ENGINEERING LTD.

Our statement of general policy is:

To provide adequate control of the health and safety risks arising from our work activities;

To consult with our employees on all matters affecting their health and safety;

To provide and maintain safe plant and equipment;

To ensure safe handling and use of substances;

To provide information, instruction and supervision for employees;

To ensure all employees are competent to do their tasks, and to give them adequate training;

To prevent accidents and cases of work related ill health;

To maintain safe and healthy working conditions; and

To review and revise this policy as necessary.
